To whom it may concern,

I had the pleasure of supervising Sravan on War for the Planet of the Apes. He was extremely reliable and a fine artist to work with. We had no problems communicating ideas with each other and my critique was always we received by him which reflected in his work. Sravan has a great work ethic.

I would truly enjoy working with him in the future and I am positive he would be a great addition to any team or studio.

Should you need any more information, do not hesitate to contact me.

Yours truly,
